

**Potential SEEDs**

List of university researchers who are interested in collaboration with industry

AUN/SEED-Net

No.	Keywords	Name	University/Department/ Research group	Field	Research interest	Experience with industry	Message to work with industry	Details of researchers
4	Concrete, Durability	Asst.Prof.Dr.Taweechai Sumranwanich	Burapha University / Civil Engineering / Concrete Technology	Civil Engineering	Marine Concrete, Durability of Concrete, Concrete Technology	Siam Cement Group, Asia Cement, MTEC	I am dealing with both durability design and durability evaluation under marine environment. The solving of concrete durability exposed to marine site will extend service life of reinforced concrete structure.	<a href="http://www.eng.buu.ac.th/index.php?func=5&amp;do=view&amp;id=99">http://www.eng.buu.ac.th/index.php?func=5&amp;do=view&amp;id=99</a>
